When less are in Troubles. *Don't be dismal!* Your liver is torpid, perhaps, and you may be said to be bilious. The way to help you out of the difficulty is to take *Brown's Iron Bitters*, which sets disordered livers at work in good style.

Don't be Cross and angry! Your digestion is bad, and that upsets your disposition. If you will try Brown's Iron Bitters, you will find the digestive difficulties driven away in short order.

Don't be despondent! You are weak because your blood is thin, and you cannot face trouble, or think you cannot. *Brown's Iron Bitters* will put iron into your circulation, enriching the blood, making it a royal red color, and giving you the strength you need.

The troubled, the weary, the despondent, the nervous, the debilitated, and the bilious find rest, repose, refreshment, and reinvigoration in the use of that prince of Tonics, Brown's Iron Bitters. The druggist charges a dollar a bottle for it.

SOMETHING EVERY LADY OUGHT TO KNOW.

There exists a means of securing a soft and brilliant Complexion, no matter how poor it may naturally be. Hagan's Magnolia Balm is a delicate and harmless article, which instantly removes Freckles, Tan, Redness, Roughness, Eruptions, Vulgar Flushings, etc., etc. So delicate and natural are its effects that its use is not suspected by anybody. No lady has the right to present a disfigured face in society when the Magnolia Balm is sold by all druggists for 75 cents.

WEBER PIANOS.

The unparalleled success of these instruments is due to the limpid purity and warm and sympathetic quality of their tone. Recognizing that until his time the development of the Piano had been in the direction of mechanism, the manufacturer applied himself to perfecting the tone, which he improved remarkably, obtaining a more mellifluous and musical quality, and also to a degree before unattained that sympathetic sensibility which renders it so indispensable to singers because of its sustaining and harmonizing consonance with the voice.
